Caring For The Mind: A Community Event for Alzheimer's & Brain Awareness Month

Join Omni Healthcare and Health First for a day of education, connection, and support as we honor Alzheimer's and Brain Awareness Month. Whether you're a caregiver, a loved one, or seeking to learn more, we are here to empower and uplift our community!

Date: Wednesday, June 25th

Time: 5PM - 7PM

Location: OMNI Healthcare Melbourne Medical Center - Second Floor

1344 S Apollo Boulevard

Melbourne, FL 32901

What to Expect:

- Expert-led presentations on brain health and Alzheimer's care
- Resources for caregivers, patients, and families
- Local support organizations and services
- Q&A sessions with healthcare professionals
- Refreshments and community connection

Let's come together to raise awareness, support one another, and take steps toward a healthier future — because every mind matters!

Admission is free. All are welcome!
